

HANDS OFF ASSATA SHAKUR.

Tell the Feds to Keep Their Blood Money!

The U.S. Department of Justice has posted a \$1 million bounty for the capture of New Jersey's most-wanted fugitive Assata Shakur aka JoAnne Chesimard (*Tupac Shakur's Godmother*), a former Black Liberation Army member they continue to claim killed a state trooper, although all evidence indicates otherwise. Assata escaped state prison a quarter of a century ago.

"She is now 120 pounds of money," State Police Superintendent Rick Fuentes said. "It is going to exert pressures that weren't in place nationally and internationally before. And we're going to follow up to make sure everybody is aware of this both inside and outside of Cuba."

The Justice Department has also placed Assata/ Chesimard on a variety of terrorist watch lists.
